Sub : Draft combined Seniority List of Manager.(CNS Discipline) as on 01.07.2009

Sir,

A draft combined seniority list of Manager (CNS) showing the position as on 01.07.2009 has been uploaded on AAI website (www.aai.aero → Serving AAI Employees → Seniority List) for circulation amongst the concerned officials.

Consequent upon an agreement signed by the recognised Association and the Management on 06.09.2010 to merge the seniority list in the various grades of CNS discipline w.e.f. 01.01.2000 and further action taken in this regard by the Management, it was observed that the retrospective merger is not feasible.

Accordingly, a draft seniority list from the prospective date (01.07.2009) has been prepared on the basis of 1:1:1 (Technical/Com-Ops/ Electronics) based on the year of promotion as Manager. The draft seniority may be circulated and shown to all concerned. Representations, if any received should be examined with reference to the service records and after verification, it should be sent to CHQ. with your recommendations in a consolidated form in respect of your Region. It is also requested that data of the blank columns like date of joining in the present grade and qualification should be filled and forwarded to CHQ. after verifying from the service records of the individuals. This exercise should be completed as expeditiously as possible but not later than 23.12.2011. No representation will be entertained against the principle adopted in preparing the seniority list.

The representation may be faxed to ED(CNS), CHQ. (Fax No. 011-24654142) or send the same via e-mail at edcns@aai.aero.

This issues with the approval of the Competent Authority.

Yours faithfully,

[K C. MALHOTRA]
General Manager (HR)-ANS
