Brief introduction to IFATSEA – Structure, What it offers

President
International Federation of Air Traffic
Safety Electronics Associations
3510 Howard
Saint Hubert, Quebec
J3Y 4Z7

Dear Mr. Ouellette,

I am pleased to advise you that the Council of the International Civil Aviation Organization (ICAO), at the first meeting of its 191st Session, on 15 November 2010, decided to include the International Federation of Air Traffic Safety Electronics Associations (IFATSEA) in the *List of international organizations that may be invited to attend suitable ICAO meetings*.

Yours sincerely,

Denys Wibaux
Director, Legal Affairs and
External Relations Bureau

48th General Assembly

Role of regional director in IFATSEA

- ***What I wish In the region***
- **To take the IFATSEA to the root level**
- **To bring the younger generation in active contribution to IFATSEA**
- **To develop and groom the younger generation**
- **To encourage women ATSEP to come forward for active roles**
- **To involve youth from the region in the regional task groups .**

Nov 29th 2018, KIA, Bangalore, Regional Director - ASIA PACIFIC

Digital transformation – Impact on CNS / ATM systems – Challenges for ATSEP – Are we ready?

48th General Assembly

Learning from 48th General Assembly – Time for the youth

- Time for the youth to locally assume leading role and support IFATSEA. Youth need to dedicate more time and energy.
- Seniors are always there to guide and support.
